

CHURCH OF GOD INTERNATIONAL OFFICES  
Office of the General Overseer

"Please allow me to recommend to you and your church the music ministry of Jimmy and Jennifer Layne, also known as Back Home. Their marvelous gift of songwriting combined with their most enjoyable and anointed singing ability provides for a wonderful experience in the presence of the Lord.

I have not often written letters of endorsement of this nature, but I have a tremendous confidence in Jimmy and Jennifer and the potential blessing they will be to you. Their music appeals to young and old alike as they intentionally present a balanced musical program for all ages to enjoy.

I have enjoyed writing songs with them as well as sharing in several of their services. While I was World Missions Director, they were my invited guest for Leadership Summits and other special services and blessed our entire staff with their music.

After hosting Jimmy and Jennifer Layne for a concert service, you will look back over the event with fond remembrance and will be anxious to invite them again.

They have my full endorsement and recommendation. "

God Bless,

Timothy M. Hill, D. D  
General Overseer
