TO WHOM IT MAY CONCERN:

I am writing this letter on behalf of Jimmy and Jennifer Layne, who are known as *Back Home*. They are gifted singers who are using their musical talents to spread the gospel message. At the invitation of Dr. Tim Hill, Brother and Sister Layne have ministered at several events hosted by the World Missions Department of the Church of God.

I am confident that the music program presented by *Back Home* is a reflection of Brother and Sister Layne's relationship with the Lord, and that you will be blessed by their ministry.

Blessings,
